Yes, we will need an advance vehicle in addition to the Administrator's car, staff van, and security vehicles.
I believe that Ex. 7(c) has provided a summary of what we need and I have copied him here. We look forward to receiving your estimates and processing a fund cite cable for you.

Mark

Mark,

I assume you will want to have an advance vehicle to conduct site surveys and run routes for the duration of your time. The advance vehicle would need to be rented. [REDACTED]

Hello Washington friends,

1. Here is the revised budget that includes Public Affairs. They would go one day in advance before the rest of us to set things up.
2. Great news on the food event front! The Minister agreed to a Saturday afternoon food event in Bologna.
3. **Ex. 6 - Personal Privacy** the Foreign Service National Investigator (FSNI) in Florence, will be the FSNI lead for the Administrator's protective detail. You can communicate with RSO **Ex. 6 - Personal Privacy** and **Ex. 6 - Personal Privacy** about security, including trains.
4. Later in the week, Lee will be sending out invitation and call-in information for the scheduled calls. We've shifted the Friday April 14th call to April 13th.

Cheers, **Ex. 6 - Personal Privacy**
